

## Soprane II License / Trial activation

The first thing to do is to download the software, you can download it with the following link: http://cloud.srainstruments.com/index.php/s/cPvn0VAESTBtFv0/download

Then execute the setup installation file.

Once Soprane II is correctly installed, you will see a new icon on your desktop **C** this is the configurator, you can also find it in the installation folder under the name SRA.Soprane.Configuration.exe.

Start the configuration application, wait a few seconds and the message "Invalid license" confirms that the license is not validated.

Click on the Activation button; the following window appears.
